Lake Keowee/Seneca

The Lake Keowee/Seneca option for Dental Implants

Your care is our priority. At our Envision Dental Implant Center in Seneca, SC, we provide the highest quality dental care, utmost compassion, and outstanding service to every person who walks through our doors.

Our board-certified prosthodontist, Dr. Craig Horton, offers a customized approach to implant, esthetic, and reconstructive dentistry delivered in a warm and welcoming environment. When you choose us for your restorative and dental implant needs, you can expect individualized, comprehensive care to replace your missing and damaged teeth—and amazing treatment results you can smile about.

Your Prosthodontic Partner

Trust your smile to a specialist. Dr. Horton combines his specialized prosthodontic training with the latest technological advancements to offer state-of-the-art restorative treatments. From dental implants to crowns, bridges, dentures, and veneers, you can count on Dr. Horton to address your unique needs with a tailored solution and smile transformation that will improve your dental health and quality of life. Dr. Horton also specializes in TMJ treatments for TMJ disorders, including orofacial and jaw-related pain disorders.

Comprehensive Dental Implant Services

When a tooth or multiple teeth are lost due to dental decay, trauma, gum disease, or other chronic issues, dental implants provide a permanent replacement that can last a lifetime. Dr. Horton custom-fits dental implants to your mouth to restore your oral health and ability to eat, speak, and smile confidently. There are many types of dental implants and many ways to use implants to support different crowns that look, feel, and function like natural teeth. So whether you need to replace a single tooth or a full upper or lower arch, we will develop a personalized dental implant treatment to get you the life-changing smile you deserve.

Call [\(864\) 900-5977](tel:18649005977) to schedule a consultation with Dr. Horton in Seneca today.
