

Dr. Hunter Dawson

Biography

Dr. Dawson is a talented prosthodontist who has been nationally recognized for his contributions to the field.

Dr. Dawson is from central North Carolina, growing up in a small farm town. He attended NC State University, where he earned his Bachelor of Science in Biology in 2010.

After graduating from the University of Louisville School of Dentistry, he continued his education by completing a full-time Advanced Education Residency in Prosthodontics at the University of Louisville. Dr. Dawson has multiple publications in areas of complex implant rehabilitations using digital workflows and guided implant surgery. He is an adjunct associate professor at the University of North Carolina Chapel Hill.

Dr. Dawson has been practicing in central North Carolina since 2017. Some of the most complex oral health situations are referred to Dr. Dawson for reconstructive dental treatment. Dr. Dawson practices full time and regularly lectures both nationally and internationally. Lecture topics for continuing education courses include comprehensive diagnostics and treatment planning, implant prosthodontics, digital dental workflows, intraoral scanning, dental occlusion, airway prosthodontics, and guided implant surgery.
